PTA HEROES

Branded Reusable Mugs

MADE IN UK

Say hello to the new mug on the block!
Our reusable tumbler mugs are the perfect solution to the waste problem created by single use, plastic lidded 'takeaway' cups. Maximise the selling of hot drinks at your events and check the risk assesment box of hot liquids and spillages, in style! Your PTA or school logo, or even pupils' artwork, can be printed around the mug in any colours you choose. Be a hot drink hero! Order yours today!

Design & artwork

The print area 'wraps' around the body of the mug. You don't have to 'fill' this but your artwork must stay within this print boundary. You could have your logo both 'sides' or other text such as a school motto, PTA details or intructions to return if the mug is on hire/deposit.

Print area is 235 x 80 mm

Artwork guidelines:
- Ideally please supply vector artwork. These are .ai/.eps/.pdf files. We can help you with this if you don't have access to vector files. (Set-up fee may apply)
- Convert all fonts to outlines/paths
- Include all the correct copy you require
- Specify all colours : Mug, lid and print.

Once you place an order you will be sent a visual 'mock up' of your mug to approve before production begins so you are 100% happy with your design.
